

**Supervision Agreement
Structured Learning Experience**

Student: Angel Wheeler

Date: 8/21/2014

Facility: Preschool

Through her participation in the Structured Learning Experience with Preschool as a Teacher's Assistant, Angel will build job skills that will generalize to a post-secondary work environment. As a way to build these skills, Angel will transport herself to Preschool at 9:15 and back to Southwest Academy at 11:00 without the supervision of staff from Southwest Academy or Preschool. Angel will also independently walk to and from the bathroom and cafeteria as needed without the staff supervision from Southwest Academy and Preschool. Angel is only allowed to walk with no supervision during her scheduled teaching assistant time (9:15-11:00).
